INFORMATION DISCLOSURE STATEMENT FILED
UNDER THE PROVISIONS OF 37 CFR 1.97(b)(3)

Sir:

In connection with the above-identified application, Applicants submit herewith an information disclosure under 37 C.F.R. 1.97(b)(3) and copies of references cited therein.

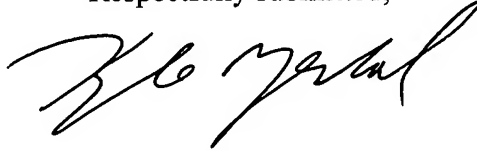

It is respectfully requested that the cited references be expressly considered during the prosecution of the above referenced application, and the references be made of record and appear among the "references cited" on any patent to issue therefrom.

As provided for by 37 CFR 1.97(g) and (h), no representation is being made that a search has been conducted or that this statement encompasses all of the relevant information, and no inference should be made that the information and references cited are, or are considered to be, material to patentability because they are in this statement. No inference should be made that the information

and references cited are prior art merely because they are in this statement.

Applicant believes that no Office action on the merits has been mailed in the subject case and that therefore no fee is due in regard to the present submission. However, if a fee(s) is required to obtain entry of this submission, applicant authorizes the charging of such required fee(s) to deposit account number 501729.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Kyle Yesland', written in a cursive style.
